

North Shore Water System Consolidation Public Input Survey

Lake Whatcom Water and Sewer District is gathering information on current residential water sources and interest in connecting to a public water system in order to make an informed decision regarding extending its water distribution system along North Shore Road. This water system expansion will not financially impact current District water customers.

1. What is the current use of your property?

- Vacant
- Single Family
- Other _____

2. What is the water source for your property?

- Individual Well
- Lake draw / surface water
- Water system (name) _____
- Other _____

3. Are you interested in connecting to a public water system?

- Yes
- No

4. If you are interested, what is your motivation to connect to a public water system?

- Reliability
- Water Quality
- Other _____

5. If you are interested, what will drive your decision-making process? (Rank 1-4, with 1 being most important)

- Overall cost to connect
- Ability to pay connection fee over time
- Estimated water bills
- Other _____
