The SUBRECIPIENT shall comply with all applicable state and federal laws, rules, regulations, requirements, and program guidance identified or referenced in this Agreement and the informational documents published by DHS/FEMA applicable to the HMGP program including, but not limited to, all criteria, restrictions, and requirements of the Presidential Disaster Declaration, the federal regulations commonly applicable to FEMA grants, and the FEMA Award Letter and its attachments, all of which are incorporated herein by reference.

The SUBRECIPIENT acknowledges that since this Agreement involves federal award funding, the period of performance described herein may begin prior to the availability of appropriated federal funds. The SUBRECIPIENT agrees that it will not hold the DEPARTMENT, the State of Washington, or the United States liable for any damages, claim for reimbursement, or any type of payment whatsoever for services performed under this Agreement prior to distribution of appropriated federal funds, or if federal funds are not appropriated or in a particular amount.

A. STATE AND FEDERAL REQUIREMENTS FOR HAZARD MITIGATION GRANTS:

The following requirements apply to all DHS/FEMA Hazard Mitigation Grants administered by the DEPARTMENT.

1. SUBAWARDS & CONTRACTS BY SUBRECIPIENTS

- a. The SUBRECIPIENT must make a case-by-case determination whether each agreement it makes for the disbursement of HMGP funds received under this Agreement casts the party receiving the funds in the role of a SUBRECIPIENT or contractor in accordance with 2 CFR 200.331.
- b. If the SUBRECIPIENT becomes a pass-through entity by making a subaward to a non-federal entity as its subrecipient:
 - i. The Subrecipient must comply with all federal laws and regulations applicable to pass-through entities of HMGP funds, including, but not limited to, those contained in 2 CFR 200.
 - ii. The Subrecipient shall require its subrecipient(s) to comply with all applicable state and federal laws, rules, regulations, requirements, and program guidance identified or referenced in this Agreement and the informational documents published by DHS/FEMA applicable to **4635-05-R**, including, but not limited to,

all criteria, restrictions, and requirements of the Presidential Disaster Declaration HMGP document, the Manual, the DHS Award Letter for the Grant, and the federal regulations commonly applicable to DHS/FEMA grants.

- iii. The SUBRECIPIENT shall be responsible to the DEPARTMENT for ensuring that all HMGP federal award funds provided to its subrecipients, and associated matching funds, are used in accordance with applicable federal and state statutes and regulations, and the terms and conditions of the federal award set forth in Attachment 2 of this Agreement.

2. PROJECT FUNDING

The DEPARTMENT will administer 4635-05-R and will pass through the federal match and commit the available state match. The SUBRECIPIENT will commit the required local match.

- a. The total cost of the project for the purposes of this Agreement is **\$247,940.00** dollars; PROVIDED that, if the total cost of the project when completed, or when this Agreement is terminated, is actually less than above, the actual cost shall be substituted herein.
- b. The value of the contributions by the SUBRECIPIENT to the project shall be **\$12,397.00** dollars, or 5 percent, at minimum, of the total project cost. The SUBRECIPIENT's contributions may be cash or in-kind, must be from a non-federal source, must be reasonable, allowable and allocable, and must comply with all Federal requirements and regulations.
- c. When the DEPARTMENT enters into an agreement with the Federal Emergency Management Agency (FEMA) to contribute federal funds to this project, that federal contribution will be **\$223,146.00** dollars, or 90 percent of the total project cost, whichever is less.
- d. The value of the contributions by the DEPARTMENT to the project shall be **\$12,397.00** dollars, or 5 percent, at minimum, of the total project cost and is contingent on legislative approval of DEPARTMENT funding pursuant to the prerequisites provided in subsection g. The DEPARTMENT's contributions must be from a non-federal source and must comply with all Federal requirements and regulations.
- e. The Federal Emergency Management Agency (FEMA) has contributed federal funds for SUBRECIPIENT Management Costs (SubMC). SubMC includes costs for administering the grant and indirect costs. This federal contribution is in addition to the federal award for project costs and is suitable for 100% reimbursement for eligible expenses. The maximum amount available for SubMC is **\$5,000.00** dollars, limited to 5% of the eligible project expenditures for administrative, indirect, or overhead costs, whichever is less.
- f. The DEPARTMENT shall not be obligated to pay any amount beyond that set out in Subsections c, d, and e above, unless that additional amount has been approved in advance by both the DEPARTMENT and SUBRECIPIENT and is incorporated by written amendment into this Agreement.
- g. The Washington State Legislature may authorize the DEPARTMENT to provide a match to the SUBRECIPIENT's non-federal share of eligible projects. Provision of a match by the DEPARTMENT, if authorized by the Washington State Legislature, shall not require amendment of this Agreement. If DEPARTMENT match funds are committed to the non-federal share by the DEPARTMENT pursuant to legislative authorization, the DEPARTMENT will formally notify the SUBRECIPIENT of the match in writing which will include information identifying any related reduction in the SUBRECIPIENT's percentage commitment.
- h. A written amendment will be required if the SUBRECIPIENT expects cumulative transfers between project budgets, as identified in the Project budget (Attachment 5) and the Statement of Work and/or description of Project (Attachment 3), to exceed 10% of the Grant Agreement Amount. Any changes to project budgets other than in compliance with this paragraph will not be reimbursed.

3. GRANT AGREEMENT PERIOD

Activities payable under this Agreement and to be performed by the SUBRECIPIENT under this Agreement shall only be those after the obligation of federal funds on **February 5, 2024** and shall terminate on **April 5, 2026**. This period shall be referred to herein as the Grant Agreement Period and/or Period of Performance, unless expressly stated otherwise. Costs incurred during the Grant Agreement Period shall include pre-award costs authorized in writing by FEMA as well as eligible costs incurred after the effective date of the Grant Agreement Period and before termination.

- a. The SUBRECIPIENT shall complete the project as described in the FEMA approved project application 4635-05-R, incorporated in and made a part of this Agreement by reference, and as described in Attachments 3, 4, and 5. In the event of extenuating circumstances, the SUBRECIPIENT may request, in writing, that the DEPARTMENT extend the deadline for Grant Agreement completion.
- b. The Grant Agreement Period shall only be extended by (1) written notification of FEMA approval of the Grant Agreement Period followed by execution of a mutually agreed written amendment, or (2) written notification from the DEPARTMENT to the SUBRECIPIENT addressing extensions of the DEPARTMENT'S underlying federal grant performance period or to provide additional time for completion of the SUBRECIPIENT's project(s).
- c. No expenditure made, or obligation incurred, before or after the Grant Agreement Period shall be eligible, in whole or in part, for grant funds with the exception of pre-award costs authorized in writing by FEMA. In addition to any remedy the DEPARTMENT may have under this Agreement, the amounts set out in Article II, section A.2 **Project Funding**, above, may be reduced to exclude any such expenditure from participation.
- d. Failure to complete the project in a timely manner, as outlined in Attachment 4, is a material breach of this Agreement for which the DEPARTMENT is entitled to termination or suspension under Attachment 2, section A.37.

4. REIMBURSEMENT AND BUDGET REQUIREMENTS

The DEPARTMENT, using mitigation funds from PL 93-288, the Robert T. Stafford Disaster Relief and Emergency Assistance Act, and the State of Washington, for the HMGP program, shall issue payments to the SUBRECIPIENT as follows:

Adjustments to the final payment may be made following any audits conducted by the DEPARTMENT, Washington State Auditor's Office, the United States Inspector General, or their authorized representatives.

- k. Failure to timely submit complete reports and reimbursement requests as required by this Agreement (including but not limited to those reports in the Project Development Schedule Attachment 4) will prohibit the SUBRECIPIENT from being reimbursed until such complete reports and reimbursement requests are submitted and the DEPARTMENT has had reasonable time to conduct its review. Final reimbursement requests will not be approved for payment until the SUBRECIPIENT is current with all reporting requirements contained in this Agreement.
- l. SUBRECIPIENTS shall only use federal award funds under this Agreement to supplement existing funds, and will not use them to replace (supplant) non-federal funds that have been budgeted for the same purpose.

The SUBRECIPIENT may be required to demonstrate and document that the reduction in non-federal resources occurred for reasons other than the receipt or expected receipt of federal funds.

5. REPORTING REQUIREMENTS

In addition to the reports as may be required elsewhere in this Agreement, the SUBRECIPIENT shall promptly prepare and submit the following reports to the DEPARTMENT's Key Personnel:

The report shall identify the costs incurred to date, the percentage of work completed, the anticipated completion date of the project, and whether cost under runs or over runs are expected. In addition, the SUBRECIPIENT should note any challenges or issues associated with the project. Failure to submit a complete quarterly report within 15 days following the end of the quarter will result in suspension of all payments to the SUBRECIPIENT until a complete quarterly report is received by the DEPARTMENT.
- b. A final report when the project is completed, prematurely terminated, or project assistance is terminated. The report shall include a final accounting of all expenditures and a description of work accomplished. If the project is not completed, the report shall contain an estimate of the percentage of completion, and shall indicate the degree of usefulness

10. LIMITED ENGLISH PROFICIENCY (CIVIL RIGHTS ACT OF 1964 TITLE VI)

All SUBRECIPIENTS must comply with the Title VI of the Civil Rights Act of 1964 (Title VI) prohibition against discrimination on the basis of national origin, which requires that SUBRECIPIENTS of federal financial assistance take reasonable steps to provide meaningful access to persons with limited English proficiency (LEP) to their programs and services. Providing meaningful access for persons with LEP may entail providing language assistance services, including oral interpretation and written translation. Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency (August 11, 2000), requires federal agencies to issue guidance to recipients, assisting such organizations and entities in understanding their language access obligations. DHS published the required recipient guidance in April 2011, DHS Guidance to Federal Financial Assistance Recipients Regarding Title VI Prohibition Against National Origin Discrimination Affecting Limited English Proficient Persons, 76 Fed. Reg. 21755-21768, (April 18, 2011). The Guidance provides helpful information such as how a recipient can determine the extent of its obligation to provide language services; selecting language services; and elements of an effective plan on language assistance for LEP persons. For additional assistance and information regarding language access obligations, please refer to the DHS Recipient Guidance at <https://www.dhs.gov/guidance-published-help-department-supported-organizations-provide-meaningful-access-people-limited> and additional resources on <http://www.lep.gov>.

11. ENVIRONMENTAL AND HISTORICAL PRESERVATION

- a. The SUBRECIPIENT shall ensure full compliance with the DHS/FEMA Environmental Planning and Historic Preservation (EHP) program. EHP program information can be found at <https://www.fema.gov/grants/guidance-tools/environmental-historic>, which is incorporated into and made a part of this Agreement.
- b. Projects that have historical impactors or the potential to impact the environment, including, but not limited to, construction of communication towers; modification or renovation of existing buildings, structures and facilities; or new construction including replacement of facilities, must participate in the DHS/FEMA EHP review process prior to initiation. Modification of existing buildings, including minimally invasive improvements such as attaching monitors to interior walls, and training or exercises occurring outside in

areas not considered previously disturbed, also require a DHS/FEMA EHP review before project initiation.

- c. The EHP review process involves the submission of a detailed project description that includes the entire scope of work, including any alternatives that may be under consideration, along with supporting documentation so FEMA may determine whether the proposed project has the potential to impact environmental resources and/or historic properties.
- d. The SUBRECIPIENT agrees that to receive any federal preparedness funding, all EHP compliance requirements outlined in applicable guidance must be met. The EHP review process **must be completed, and FEMA approval received by the SUBRECIPIENT, before any work is started** for which reimbursement will be later requested. Expenditures for projects started before completion of the EHP review process, and receipt of approval by the SUBRECIPIENT will not be reimbursed.

12. ADDITIONAL SPECIAL CONDITIONS

a. Construction Documents, Contracts, Change Orders

- iii. Construction Change Order: All change orders must be in writing and shall be submitted to the DEPARTMENT. The SUBRECIPIENT shall pay any increase in the cost of the project as the result of a change order, unless the DEPARTMENT has agreed to the change with a written amendment to this Agreement.

The SUBRECIPIENT shall, in connection with the inventory, verify the existence, current utilization, and continued need for the equipment.
 - v. The SUBRECIPIENT shall be responsible for any and all operational and maintenance expenses and for the safe operation of their equipment and trackable assets including all questions of liability. The SUBRECIPIENT shall develop appropriate maintenance schedules and procedures to ensure the equipment and trackable assets are well maintained and kept in good operating condition.

While the DEPARTMENT undertakes to assist the SUBRECIPIENT with the project/statement of work/work plan (project) by providing grant funds pursuant to this Agreement, the project itself remains the sole responsibility of the SUBRECIPIENT. The DEPARTMENT undertakes no responsibility to the SUBRECIPIENT, or to any third party, other than as is expressly set out in this Agreement.

The responsibility for the design, development, construction, implementation, operation and maintenance of the project, as these phrases are applicable to this project, is solely that of the SUBRECIPIENT, as is responsibility for any claim or suit of any nature by any third party related in any way to the project.

Prior to the start of any construction activity, the SUBRECIPIENT shall ensure that all applicable Federal, State, and local permits and clearances are obtained, including but not limited to FEMA compliance with the National Environmental Policy Act, the National Historic Preservation Act, the Endangered Species Act, and all other environmental laws and executive orders.

The SUBRECIPIENT shall defend, at its own cost, any and all claims or suits at law or in equity, which may be brought against the SUBRECIPIENT in connection with the project. The SUBRECIPIENT shall not look to the DEPARTMENT, or to any state or federal agency, or to any of their employees or agents, for any performance, assistance, or any payment or indemnity, including but not limited to cost of defense and/or attorneys' fees, in connection with any claim or lawsuit brought by any third party related to any design, development, construction, implementation, operation and/or maintenance of a project.

A.32 SEVERABILITY

If any court of rightful jurisdiction holds any provision or condition under this Agreement or its application to any person or circumstances invalid, this invalidity does not affect other provisions, terms or conditions of the Agreement, which can be given effect without the invalid provision. To this end, the terms and conditions of this Agreement are declared severable.

A.33 SINGLE AUDIT ACT REQUIREMENTS (including all AMENDMENTS)

Non-federal entities as subrecipients that expend **\$750,000** or more in one fiscal year of federal funds from all sources, direct and indirect, are required to have a single or a program-specific audit conducted in accordance with 2 CFR Part 200 Subpart F. Non-federal entities that spend less than **\$750,000** a year in federal awards are exempt from federal audit requirements for that year, except as noted in 2 CFR Part 200 Subpart F. As defined in 2 CFR Part 200, the term "non-federal entity" means a State, local government, Indian Tribe, institution of higher education, or non-profit organization that carries out a federal award as a recipient or SUBRECIPIENT.

SUBRECIPIENTS that are required to have an audit must ensure the audit is performed in accordance with Generally Accepted Government Auditing Standards (GAGAS) as found in the Government Auditing Standards (the Revised Yellow Book) developed by the United States Comptroller General and the OMB Compliance Supplement. The SUBRECIPIENT has the responsibility of notifying its auditor and requesting an audit in compliance with 2 CFR Part 200 Subpart F, to include the Washington State Auditor's Office, a federal auditor, or a public accountant performing work using GAGAS, as appropriate. Costs of the audit may be an allowable grant expenditure as authorized by 2 CFR Part 200 Subpart F.

The SUBRECIPIENT shall maintain auditable records and accounts so as to facilitate the audit requirement and shall ensure that any SUBRECIPIENTS or contractors also maintain auditable records.

The SUBRECIPIENT is responsible for any audit exceptions incurred by its own organization or that of its subcontractors. Responses to any unresolved management findings and disallowed or questioned costs shall be included with the audit report.

The SUBRECIPIENT must respond to DEPARTMENT requests for information or corrective action concerning audit issues or findings within 30 days of the date of request. The DEPARTMENT reserves the right to recover from the SUBRECIPIENT all disallowed costs resulting from the audit.

Once the single audit has been completed and includes and audit findings, the SUBRECIPIENT must send a full copy of the audit to the DEPARTMENT and its corrective action plan no later than nine (9) months after the end of the SUBRECIPIENT's fiscal year(s) to:

Contracts.Office@mil.wa.gov

Subject: Lake Whatcom Water & Sewer District, Single Audit and Corrective Action Plan

OR

**Contracts Office
Washington Military Department
Finance Division, Building #1 TA-20
Camp Murray, WA 98430-5032**

If Contractor claims it is exempt from the audit requirements of 2 CFR Part 200 Subpart F, the SUBRECIPIENT must send a letter identifying this Agreement and explaining the criteria for exemption no later than nine (9) months after the end of the SUBRECIPIENT's fiscal year(s) to the address listed above.

The DEPARTMENT retains the sole discretion to determine whether a valid claim for an exemption from the audit requirements of this provision has been established.

The SUBRECIPIENT shall include the above audit requirements in any subawards.

Conducting a single or program-specific audit in compliance with 2 CFR Part 200 Subpart F is a material requirement of this Agreement. In the absence of a valid claim of exemption from the audit requirements of 2 CFR Part 200 Subpart F, the SUBRECIPIENT's failure to comply with said audit requirements may result in one or more of the following actions in the DEPARTMENT's sole discretion: a percentage of federal awards being withheld until the audit is completed in accordance with 2 CFR Part 200 Subpart F; the withholding or disallowing of overhead costs; the suspension of federal awards until the audit is conducted and submitted; or termination of the federal award.

A.34 SUBRECIPIENT NOT EMPLOYEE

The parties intend that an independent contractor relationship will be created by this Agreement. The SUBRECIPIENT, and/or employees or agents performing under this Agreement are not employees or agents of the DEPARTMENT in any manner whatsoever. The SUBRECIPIENT will not be presented as nor claim to be an officer or employee of the DEPARTMENT or of the State of Washington by reason of this Agreement, nor will the SUBRECIPIENT make any claim, demand, or application to or for any right or privilege applicable to an officer or employee of the DEPARTMENT or of the State of Washington by reason of this Agreement, including, but not limited to, Workmen's Compensation coverage, unemployment insurance benefits, social security benefits, retirement membership or credit, or privilege or benefit which would accrue to a civil service employee under Chapter 41.06 RCW.

It is understood that if the SUBRECIPIENT is another state department, state agency, state university, state college, state community college, state board, or state commission, that the officers and employees are employed by the State of Washington in their own right and not by reason of this Agreement.

A.35 TAXES, FEES AND LICENSES

Unless otherwise provided in this Agreement, the SUBRECIPIENT shall be responsible for, pay and maintain in current status all taxes, unemployment contributions, fees, licenses, assessments, permit charges and expenses of any other kind for the SUBRECIPIENT or its staff required by statute or regulation that are applicable to Agreement performance.

A.36 TERMINATION FOR CONVENIENCE

Notwithstanding any provisions of this Agreement, the SUBRECIPIENT may terminate this Agreement by providing written notice of such termination to the DEPARTMENT's Key Personnel identified in the Agreement, specifying the effective date thereof, at least thirty (30) days prior to such date.

Except as otherwise provided in this Agreement, the DEPARTMENT, in its sole discretion and in the best interests of the State of Washington, may terminate this Agreement in whole or in part by providing ten (10) calendar days written notice, beginning on the second day after e-mailing to the SUBRECIPIENT.

Upon notice of termination for convenience, the DEPARTMENT reserves the right to suspend all or part of the Agreement, withhold further payments, or prohibit the SUBRECIPIENT from incurring additional obligations of funds. In the event of termination, the SUBRECIPIENT shall be liable for all damages as authorized by law. The rights and remedies of the DEPARTMENT provided for in this section shall not be exclusive and are in addition to any other rights and remedies provided by law.

A.37 TERMINATION OR SUSPENSION FOR CAUSE

In the event the DEPARTMENT, in its sole discretion, determines the SUBRECIPIENT has failed to fulfill in a timely and proper manner its obligations under this Agreement, is in an unsound financial condition so as to endanger performance hereunder, is in violation of any laws or regulations that render the SUBRECIPIENT unable to perform any aspect of the Agreement, or has violated any of the covenants, agreements or stipulations of this Agreement, the DEPARTMENT has the right to immediately suspend or terminate this Agreement in whole or in part.

The DEPARTMENT may notify the SUBRECIPIENT in writing of the need to take corrective action and provide a period of time in which to cure. The DEPARTMENT is not required to allow the SUBRECIPIENT an opportunity to cure if it is not feasible as determined solely within the DEPARTMENT's discretion. Any time allowed for cure shall not diminish or eliminate the SUBRECIPIENT's liability for damages or otherwise affect any other remedies available to the DEPARTMENT. If the DEPARTMENT allows the SUBRECIPIENT an opportunity to cure, the DEPARTMENT shall notify the SUBRECIPIENT in writing of the need to take corrective action. If the corrective action is not taken within ten (10) calendar days or as otherwise specified by the DEPARTMENT, or if such corrective action is deemed by the DEPARTMENT to be insufficient, the Agreement may be terminated in whole or in part.

The DEPARTMENT reserves the right to suspend all or part of the Agreement, withhold further payments, or prohibit the SUBRECIPIENT from incurring additional obligations of funds during investigation of the alleged compliance breach, pending corrective action by the SUBRECIPIENT, if allowed, or pending a decision by the DEPARTMENT to terminate the Agreement in whole or in part.

In the event of termination, the SUBRECIPIENT shall be liable for all damages as authorized by law, including but not limited to, any cost difference between the original Agreement and the replacement or cover Agreement and all administrative costs directly related to the replacement Agreement, e.g., cost of administering the competitive solicitation process, mailing, advertising and other associated staff time. The rights and remedies of the DEPARTMENT provided for in this section shall not be exclusive and are in addition to any other rights and remedies provided by law.

If it is determined that the SUBRECIPIENT: (1) was not in default or material breach, or (2) failure to perform was outside of the SUBRECIPIENT's control, fault or negligence, the termination shall be deemed to be a "Termination for Convenience".

A.38 TERMINATION PROCEDURES

In addition to the procedures set forth below, if the DEPARTMENT terminates this Agreement, the SUBRECIPIENT shall follow any procedures specified in the termination notice. Upon termination of this Agreement and in addition to any other rights provided in this Agreement, the DEPARTMENT may require the SUBRECIPIENT to deliver to the DEPARTMENT any property specifically produced or acquired for the performance of such part of this Agreement as has been terminated.

If the termination is for convenience, the DEPARTMENT shall pay to the SUBRECIPIENT the agreed upon price, if separately stated, for properly authorized and completed work and services rendered or goods delivered to and accepted by the DEPARTMENT prior to the effective date of Agreement termination, and the amount agreed upon by the SUBRECIPIENT and the DEPARTMENT for (i) completed work and services and/or equipment or supplies provided for which no separate price is stated, (ii) partially completed work and services and/or equipment or supplies provided which are accepted by the DEPARTMENT, (iii) other work, services and/or equipment or supplies which are accepted by the DEPARTMENT, and (iv) the protection and preservation of property.

Failure to agree with such amounts shall be a dispute within the meaning of the "Disputes" clause of this Agreement. If the termination is for cause, the DEPARTMENT shall determine the extent of the liability of the DEPARTMENT. The DEPARTMENT shall have no other obligation to the SUBRECIPIENT for termination. The DEPARTMENT may withhold from any amounts due the SUBRECIPIENT such sum as the DEPARTMENT determines to be necessary to protect the DEPARTMENT against potential loss or liability.

The rights and remedies of the DEPARTMENT provided in this Agreement shall not be exclusive and are in addition to any other rights and remedies provided by law.

After receipt of a notice of termination, and except as otherwise directed by the DEPARTMENT in writing, the SUBRECIPIENT shall:

- a. Stop work under the Agreement on the date, and to the extent specified, in the notice;
- b. Place no further orders or sub-contracts for materials, services, supplies, equipment and/or facilities in relation to this Agreement except as may be necessary for completion of such portion of the work under the Agreement as is not terminated;
- c. Assign to the DEPARTMENT, in the manner, at the times, and to the extent directed by the DEPARTMENT, all of the rights, title, and interest of the SUBRECIPIENT under the orders and sub-contracts so terminated, in which case the DEPARTMENT has the right, at its discretion, to settle or pay any or all claims arising out of the termination of such orders and contracts;
- d. Settle all outstanding liabilities and all claims arising out of such termination of orders and sub-contracts, with the approval or ratification of the DEPARTMENT to the extent the DEPARTMENT may require, which approval or ratification shall be final for all the purposes of this clause;
- e. Transfer title to the DEPARTMENT and deliver in the manner, at the times, and to the extent directed by the DEPARTMENT any property which, if the Agreement had been completed, would have been required to be furnished to the DEPARTMENT;
- f. Complete performance of such part of the work as shall not have been terminated by the DEPARTMENT in compliance with all contractual requirements; and
- g. Take such action as may be necessary, or as the DEPARTMENT may require, for the protection and preservation of the property related to this Agreement which is in the possession of the SUBRECIPIENT and in which the DEPARTMENT has or may acquire an interest.

A.39 UTILIZATION OF MINORITY AND WOMEN BUSINESS ENTERPRISES (MWBE)

The SUBRECIPIENT shall comply with 2 CFR §200.321 and will take all necessary affirmative steps to assure that minority firms, women's business enterprises, and labor surplus area firms are used when possible and will take all necessary affirmative steps to utilize business firms that are certified as minority-owned and/or women-owned in carrying out the purposes of this Agreement. The following steps are required by the SUBRECIPIENT if any contracts with contractors or sub-contractors are entered into under the original contract award:

- a. Placing qualified small and minority businesses and women's business enterprises on solicitation lists;
- b. Assuring that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources;
- c. Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises;
- d. Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority businesses, and women's business enterprises; and
- e. Using the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce.

The SUBRECIPIENT may also set utilization standards, based upon local conditions or may utilize the State of Washington MWBE goals, as identified in. WAC 326-30-041.

A.40 VENUE

This Agreement shall be construed and enforced in accordance with, and the validity and performance shall be governed by the laws of the State of Washington. Venue of any suit between the parties arising out of this Agreement shall be the Superior Court of Thurston County, Washington. The SUBRECIPIENT, by execution of this Agreement acknowledges the jurisdiction of the courts of the State of Washington.

A.41 WAIVERS

No conditions or provisions of this Agreement can be waived unless approved in advance by the DEPARTMENT in writing. The DEPARTMENT's failure to insist upon strict performance of any provision of the Agreement or to exercise any right based upon a breach thereof, or the acceptance of any performance during such breach, shall not constitute a waiver of any right under this Agreement.

STATEMENT OF WORK AND/OR DESCRIPTION OF PROJECT

SUBRECIPIENT: Lake Whatcom Water & Sewer District
 PROJECT TITLE: LWWSD Water Assets Seismic Upgrade - Phase I

The purpose of this project is for Lake Whatcom Water & Sewer District to conduct the Phase-1 activities (only) for seismic retrofits to the Geneva Reservoir and the Sudden Valley Water Treatment Plan pump house, for purposes of mitigating the catastrophic failure of these two facilities in the event of an earthquake.

Phase I of this project includes selection of a qualified engineer for permitting, environmental review, design work, construction plan development, and bidding assistance. The District will also coordinate with the Sudden Valley Community Association on design and construction impacts. No Phase II work is eligible under this Phase I scope of work. At completion of phase I, The District will provide a bid estimate for the construction costs to be incurred for Phase II, as well as an updated cost summary breakdown for the non-construction costs for Phase II. Issuance of Phase II funding is contingent upon FEMA review and acceptance of Phase 1 deliverables.

A specific and more detailed scope of work is found in the FEMA approved Project Application 4635-05-R, which is incorporated herein by reference.

Lake Whatcom Water & Sewer District Agrees To:

1. Comply with the terms of this Agreement and all Attachments, including but not limited to, accomplish tasks and conditions outlined in the Statement of Work And/Or Description of Project (Attachment 3), comply with the Project Development Schedule-Attachment 4, and comply with the Project Budget (Attachment 5).
2. Submit quarterly reports that cover the previous three months no later than the 15th of the following month (or the next work day) in January, April, July and October until all requirements are fulfilled. Quarterly reports are required regardless of the level of work completed during the reporting period. Quarterly reports must include sufficient narrative to determine the degree to which the project has been implemented, the estimated time for completion, and significant developments such as delays or adverse conditions that might raise costs or delay completion, as well as favorable conditions allowing lower costs or earlier completion. Failure of the SUBRECIPIENT to submit a complete quarterly report within 15 days following the end of the quarter will result in suspension of all payments until a complete quarterly report is received by the DEPARTMENT. SUBRECIPIENT is required to return all final closeout documentation to the DEPARTMENT within 45 days following the Period of Performance End Date determined by FEMA's Notice of Award. The DEPARTMENT reserves the right to withhold the final reimbursement request until final closeout documentation is submitted by the SUBRECIPIENT to the satisfaction of the DEPARTMENT. No final reimbursements shall be paid if submitted more than 60 days after the Period of Performance End Date.
3. Submit pen-and-ink signed, approved invoice vouchers (state form A-19) for eligible, reimbursable work completed, no more frequently than monthly and no less frequently than quarterly. Each billing must identify the task(s) completed and any other funding identification pertinent to the task(s), including match. Supporting documentation is required for all costs, to include tracking of staff time spent on the project through timesheets or other documentation approved by the DEPARTMENT; dated invoices from all contractors and subcontractors for work completed; dated invoices for goods and services purchased; and documentation tracking in-kind contributions of personnel, equipment and supplies, if used on the project. Project costs must be tracked and reported by approved budget cost categories as found in Project Budget, Attachment 5. Documentation of expenditures by approved budget cost categories should be made on a separate spreadsheet or table and included with each A-19, along with documentation to substantiate all project costs.
4. Return by DEPARTMENT staff of invoices to the SUBRECIPIENT if the SUBRECIPIENT is unable to provide sufficient documentation to staff within 15 calendar days of the staff's written request for additional documentation to support the reimbursement request.
5. Submit a signed final project report before final reimbursement is made by the DEPARTMENT.
6. **PROGRAMMATIC, ENVIRONMENTAL AND HISTORIC PRESERVATION CONDITIONS**

In completing this project, the SUBRECIPIENT must adhere to the following programmatic, environmental and historic preservation conditions:

- a. Scope of Work Change: Requests for changes to the Scope of Work after grant award are permissible as long as they do not change the nature or total project cost of the activity, properties identified in the application, the feasibility and effectiveness of the project, or reduce the Benefit Cost Ratio below 1.0. Requests must be supported by adequate justification, including a description of the proposed change; a written explanation of the reason or reasons for the change; an outline of remaining funds available to support the change; and a full description of the work necessary to complete the activity.

A proposed change to the approved Scope of Work (as presented in the FEMA approved project application) must be submitted to the DEPARTMENT and FEMA in advance of implementation for re-evaluation for compliance with National Environmental Policy Act (NEPA) and other Laws and Executive Orders. Prior approval for a change to the approved Scope of Work must be obtained from the DEPARTMENT and FEMA before the change is implemented. Failure to obtain prior approval for a revised Scope of Work could result in ineligibility of resulting costs.

- b. Comply with all applicable federal, state and local laws and regulations. Failure to obtain all appropriate federal, state and local environmental permits and clearances may jeopardize federal funding provided by this Agreement.
- c. Ensure that all completed work is in compliance with applicable state and local buildings codes and flood damage prevention legislation.
- d. Monitor site work during ground-disturbing activities for evidence of potential archaeological resources that are uncovered. SUBRECIPIENT must halt the project in the event historically or archaeologically significant materials or sites (or evidence thereof) are discovered. By way of example, such evidence may include, but is not limited to, artifacts such as arrowheads, bone fragments, pottery shards, and features such as fire pits or structural elements. All reasonable measures must be taken to avoid or minimize harm to such resources until such time as the SUBRECIPIENT notifies the DEPARTMENT, and FEMA, in consultation with the State Historic Preservation Officer (SHPO) and appropriate Native American tribes, determines appropriate measures have been taken to ensure that the project is in compliance with the National Historic Preservation Act. In addition, upon discovery of human skeletal remains, the SUBRECIPIENT is required by state law to notify the county coroner and local law enforcement in the most expeditious manner possible and to immediately stop any activity which may cause further ground disturbance.
- e. Determine the presence of hazardous materials and/or toxic waste, and identifying, handling, managing, abating and disposing of such materials in accordance with the requirements and to the satisfaction of the governing local, state and federal agencies, including but not limited to the Washington Department of Ecology. Such materials may include, but are not limited to, asbestos, lead-based paint, propane cylinders, sand blasting residue, discarded paints and solvents, cleaning chemicals, containers of pesticides, lead-acid batteries, items containing chlorofluorocarbons (CFCs), motor oil and used oil filters, and unlabeled tanks or containers.
- f. Conduct work during the non-flood season as determined by the local floodplain administrator. However, should construction be required during the flood season, as determined by the local floodplain administrator, all construction equipment shall be staged in an area not susceptible to flood events or be readily transportable out of the floodplain to minimize flood damage.
- g. Dispose of all debris at an approved and permitted location. No debris shall be temporarily staged or disposed of in a floodplain and/or a wetland.
- h. Confirm with the State Department of Ecology whether this project will require a consistency determination under the Coastal Zone Management Act. If required, the SUBRECIPIENT shall obtain and comply with all requirements of the determination prior to starting the project.
- i. Select, implement, monitor, and maintain Best Management Practices (BMPs) to control soil erosion and sedimentation, reduce spills and pollution, and provide habitat protection. The acquisition site shall be stabilized from erosion and silt laden runoff by implementing these BMPs and securing the site from transient vehicle access. Any excavation and/or grading shall be done within and/or adjacent to the existing building footprint area and not beyond undisturbed portions of the site.
- j. Resubmit the project to the DEPARTMENT and FEMA prior to implementation if any in-water work will occur or if any work will occur below the ordinary high water mark of any water resource in the area, so further coordination/consultation can take place with the National Marine Fisheries Service (NMFS) to

determine whether appropriate measures have been taken to ensure the project is in compliance with the Endangered Species Act.

- k. Resubmit the project to the DEPARTMENT and FEMA for re-evaluation for compliance with national environmental policies if the "Project Limits" (including clearing, excavation, temporary staging, construction, and access areas) extend into: 1) an area not previously identified for environmental and historic preservation review, or 2) previously undisturbed ground. Additionally, all work on the project in these areas must stop until this re-evaluation is completed.
- l. National Historic Preservation Act Section 106 requirement: All proposed repair and construction activities on buildings listed in or eligible for the National Register of Historic Places (historic properties) should be done in-kind to match existing materials and form. In-kind means that the result of the proposed activities will match all physical and visual aspects of existing historic materials, including form, color and workmanship. In-kind mortar also will match the strength and joint tooling of existing historic mortar.

m. Additional requirements as noted by FEMA in grant award document:

a. Environmental Conditions of Approval: January 26, 2024

- i. This review does not address all Federal, State, and local requirements. Acceptance of Federal funding requires recipient to comply with all Federal, State, and local laws. Failure to obtain all appropriate Federal, State, and local environmental permits and clearances may jeopardize Federal funding.
 - ii. Any change to the approved Scope of Work will require re-evaluation for compliance with the National Environmental Policy Act (NEPA) and other laws and Executive Orders.
 - iii. If ground disturbance activities occur during construction, the applicant will monitor ground disturbance and if any potential archaeological resources are discovered, will immediately cease construction in that area and notify the State and Federal Emergency Management Agency (FEMA).
- n. Cost overruns in excess of the approval budget are fully the responsibility of the SUBRECIPIENT, including those costs resulting from a change in the Scope of Work. The project must remain cost effective (i.e., Benefit Cost Ratio of 1.0 or greater) in the event of cost overrun.

A request for additional funds to cover a cost overrun may be granted by the DEPARTMENT and FEMA only if funds are available within the HMGP ceiling for this disaster, (FEMA-DR-4635-WA). A request for additional funds must be fully documented and justified.

7. SPECIAL FLOOD HAZARD AREA REQUIREMENTS

Pursuant to the Flood Disaster Protection Act of 1973, those structures that remain in the Special Flood Hazard Area (SFHA) after the implementation of the mitigation project, flood insurance must be maintained for the life of the structure. The SFHA is defined as the land in the floodplain within a community subject to a 1 percent or greater chance of flooding in any given year.

The following National Flood Insurance Program Eligibility Requirements contained in the 2023 Hazard Mitigation Assistance Program and Policy Guide apply to any project involving the alteration of existing structures, to include Mitigation Reconstruction projects that are sited within an SFHA.

- a. When the project is implemented, all structures that will not be demolished or relocated out of the SFHA must be covered by a National Flood Insurance Program (NFIP) flood insurance policy to an amount at least equal to the project cost or to the maximum limit of coverage made available with respect to the particular property, whichever is less.
- b. The SUBRECIPIENT (or property owner) must legally record with the county or appropriate jurisdiction's land records agency a notice that includes the name of the current property owner (including book/page reference to record of current title, if readily available), a legal description of the property, and the following notice of flood insurance requirements as identified on page 244 of the 2023 Hazard Mitigation Assistance Program and Policy Guide:

"This property has received Federal hazard mitigation assistance. Federal law requires that flood insurance coverage on this property must be maintained during the life of the property regardless of transfer of ownership of such property. Pursuant to 42 U.S.C. § 5154a, failure to maintain flood insurance on this property may prohibit the owner from receiving Federal disaster assistance with respect to this property in the event of a flood disaster. The Property Owner is also required to

maintain this property in accordance with the floodplain management criteria of 44 CFR § 60.3 and City/County Ordinance.”

- c. Copies of the recorded notices for each property will be provided to the DEPARTMENT at project closeout.

8. PROVISIONS APPLYING ONLY TO ACQUISITION OF PROPERTIES FOR OPEN SPACE

- a. The SUBRECIPIENT must ensure that prospective participants are informed in writing that property owner participation in this acquisition program is voluntary and that the SUBRECIPIENT will not use its eminent domain authority to acquire the property for the project purposes should negotiations fail.

Copies of the Statement of Voluntary Participation signed by each participating property owner will be provided to the DEPARTMENT by project close-out.

- b. The SUBRECIPIENT agrees that land acquired for open space purposes under this grant will be restricted in perpetuity to open space uses and will be unavailable for the construction of flood damage reduction levees, transportation facilities, and other incompatible purposes and agrees to comply with the requirements of 44 CFR Part 80 Property Acquisition and Relocation for Open Space.

- c. The SUBRECIPIENT agrees to prepare, execute and record Deed Restrictions for each affected property utilizing the current Model Deed Restriction provided on the FEMA website or available from the DEPARTMENT.

Copies of the recorded deed and attached deed restrictions for each property will be provided to the DEPARTMENT by project close-out.

- d. The SUBRECIPIENT accepts all of the requirements of the deed restriction governing the use of the land.

- e. The SUBRECIPIENT ensures that, prior to acquisition of the property, in consultation with the U.S. Army Corps of Engineers, it has addressed and considered the potential future use of these lands for the construction of flood damage reduction levees, has rejected consideration of such measures in the future in the project area, and instead has chosen to proceed with acquisition of permanent open space.

Documentation of this consultation and the SUBRECIPIENT’s consideration of this issue will be provided to the DEPARTMENT by project close-out.

- f. The SUBRECIPIENT must, prior to acquisition of the property, consult with the Washington State Department of Transportation to ensure that no future planned improvements or enhancements are under consideration that will affect the proposed project area.

Documentation of this consultation will be provided to the DEPARTMENT by project close-out.

- g. The SUBRECIPIENT will remove existing buildings from acquired properties within 90 days of settlement. The SUBRECIPIENT will provide confirmation to the DEPARTMENT as to the date of demolition of each structure included in the project in its quarterly reports, as well as confirmation that the property has been returned to “natural” or park/open space condition.

The SUBRECIPIENT will provide digital latitude and longitude coordinates and digital photographs of each property site after project implementation to the DEPARTMENT by project close-out.

- h. The SUBRECIPIENT agrees to complete FEMA Form AW-501, NFIP Repetitive Loss Update Worksheet for each property identified on FEMA’s Repetitive Loss list to document completion of mitigation on the property. The form is available on FEMA’s Web site or available from the DEPARTMENT.

The SUBRECIPIENT will provide a copy of the completed form to the DEPARTMENT by project close-out.

- i. The SUBRECIPIENT agrees to comply with the requirements of 44 CFR § 80.19 Land Use and Oversight, which are incorporated into these conditions by reference. These requirements include, but are not limited to, the following (which are described further in the 2023 Hazard Mitigation Assistance Program and Policy Guide which are incorporated herein by reference):

1. Restriction on future disaster assistance for damages to the property.
2. Lists of allowable open space uses as well as uses generally not allowed on acquired open space land.
3. Provision for salvage of pre-existing structures and paved areas.
4. Requirements pertaining to future transfer of property interest.

5. Requirement for SUBRECIPIENT monitoring and inspection of the acquired property at least every 3 years. The SUBRECIPIENT will provide the DEPARTMENT with a report on the result of the inspection within 90 days of the inspection.
6. Provisions for enforcement of violation of open space requirements.

The Military Department Agrees To:

1. Provide staff coordination and input regarding grant administration for funding and technical assistance for project and reviews for mitigation construction projects, as necessary.
2. Except as otherwise provided in Article II, A.4, of this Agreement, reimburse Lake Whatcom Water & Sewer District within 45 days of receipt and approval of signed, dated invoice voucher(s) (state form A-19) with sufficient documentation of costs to include completion of tasks to date and dated invoices for goods and services purchased. Costs must be categorized according to the budget item and cost classification shown in the Project Budget, Attachment 5. The DEPARTMENT will return invoices to the SUBRECIPIENT if the SUBRECIPIENT is unable to provide sufficient documentation within 15 calendar days of the DEPARTMENT's request for additional documentation to support the reimbursement request. Any reimbursement requests that are returned to the SUBRECIPIENT and are not returned within the 15 calendar days will be required to submit a revised reimbursement request with a new signature and date.
3. Coordinate with the staff of Lake Whatcom Water & Sewer District to schedule any sub-recipient monitoring, site visits or final inspections by DEPARTMENT staff.
