Solicitation Information and Specifications

I. SUMMARY OF SOLICITATION

The Lake Whatcom Water and Sewer District is soliciting bids for the purchase of one new three-quarter ton, crew cab, four-wheel drive pickup truck equipped with a service bed as further specified below.

II. PROJECT SPECIFICATIONS

The pickup truck shall meet the following specifications:

Criteria	Specification
Vehicle	
New or Used	New
Manufacturer	Ford, Chevrolet, Dodge, or approved equal
Vehicle Type	Pickup Truck
Model Year(s)	2023 or newer
Drive Train	Four-Wheel Drive
Cab Type	Crew Cab
Color	White or Silver
Fuel Type	Diesel
Horsepower	350 minimum
Transmission	Automatic
Service Body	
Material	Aluminum
Color	Matching Vehicle Color
Make and Model	Knapheide A698 or equal

The above equipment and features are minimum requirements. Inability or failure to meet these specifications on delivery will automatically void the respective District purchase order, relieving the District of any obligation to acquire the equipment from the Supplier. The bid price may include additional equipment and features at the Supplier's option.

The successful bidder shall deliver the submitted vehicle to the District administrative office (1220 Lakeway Drive, Bellingham, WA 98229) within 30 days of the bid opening for inspection

and, if found to be acceptable to the District, transfer of ownership, at no additional cost to the District. Inspection may, at the discretion of the District, include a full mechanical inspection and test drive of up to 10 miles. In the event that the vehicle does not meet the needs of the District, the District may, at their sole discretion, decline to purchase the vehicle. All costs associated with delivery of the vehicle to the District, whether a purchase is made or not, shall be borne by the bidder.

***END OF SPECIFICATIONS ***
